Guitar & Bass Workshop

Dates: June 9-14, 2019
Completing Grades 6-12

Our camp is designed to present Guitar & Bass Workshop 2017! This course, taught by a professional guitar and bass instructor, will provide an exciting learning environment for guitars of all levels. Activities will include group and individual instruction, as well as improvisation and jamming. All campers are welcome to join in on the fun! The camp instructor will work with the students to develop the best learning experience for each individual.

Trombone Workshop with DR. PHIL OSTRANDER AND DR. JOHN TRANTER

Dates: June 9-14, 2019
Completing Grades 6-12

Trombone Workshop is an opportunity for high school and advanced middle school students. On your trombone, students will work with Dr. Phil Ostrander and Dr. John Tranter. Trombone students will get the chance to play in large and small trombone ensembles, study privately and perform together in a final concert. Students will have an opportunity to study under both Phil and John Tranter. We will also play daily chamber music, ensembles and orchestra performances. Challenge Dr. Tranter in table tennis in your free time!

Jazz Improvisation & Combo Camp

Dates: June 9-14, 2019
Completing Grades 6-12

Our camp is designed to present Jazz Improvisation & Combo Camp. This camp focuses on creating a supportive, enthusiastic, and challenging atmosphere for learning improvisation. The camp will be led by Dr. Phil Ostrander and Dr. John Tranter. With the help of both teachers, students will learn and perform arrangements of classic jazz standards and arrangements of today’s most exciting recording artists. We will also include a ballad week working one-on-one with working professional rock band musicians. All abilities welcome! Sign up alone, or with your entire band, and spend the week working one-on-one with working professional rock band musicians. Rock Band Camp will help you and your band take it to the next level! Learning about making up practice calendars, getting gigs, proper equipment usage, gear, and creating the performance and making your own!
